Scenic Carpenter

Job Title: Scenic Carpenter
Department: Production

Reports To: Technical Director
Non-exempt Salaried position

Scope of Responsibilities:

The Scenic Carpenter is one of a team responsible for constructing all Playhouse production scenery. This person serves as a carpenter, fabricator, rigger and welder, assisting in mounting all sets on stage and making them operational.

Performance Responsibilities:

- Construct and mount stage scenery for all productions and special Playhouse projects.
- Maintain sets throughout the run, striking and storing scenery and equipment when a show closes.
- Work under the joint supervision of the Technical Director and the Shop Foreman and within the guidelines, standards and schedules set forth by them.
- Assume supervisory duties in absence of the Shop Foreman.
- Supervise and instruct Apprentice Students and volunteers who are assigned to scene shop work.
- Participate in shop and equipment maintenance, material purchasing and the stocking of supplies.
- Submit in timely fashion, all expenditure receipts to the Technical Director.
- Help with electrics, props, and paints as needed.

Minimum Qualifications:

- Experience working as carpenter on stage and in a scene shop.
- Willingness to adapt to a flexible work schedule.
- Welding experience.
- Valid driver's license.
- Contribute to an inclusive environment and culture where everyone feels a sense of belonging.
- Share the values of the Omaha Community Playhouse, which include inclusivity, artistic and educational impact, excellence, stewardship and community.

Updated 8/2022

Desirable Qualification:

- Post-secondary technical theatre training.

Salary Range:

\$15 to \$19 per hour
